Pudukottah and Banganapalle have been merged with Tiruchirapally and Kurnool districts respectively of the Madras Province. The Drugs Act and the Rules framed there-under have been enforced in Pudukottah with effect from 1-7-48 - vide G.O.No. 1561 Public (Political) Department dated 28.6.48. Drugs Licences are being issued to the dealers in Pudukottah and licences will be issued to the dealers in Banganapalle as soon as Drugs Rules are enforced there. They need not be examined in First Aid (Oral and Practical) examination. The fee may therefore be fixed as Rs.8/- instead of Rs.12/-. The examination will be held in the Madras Medical College, Madras.

The number of candidates are expected to be only a few.

The following will be the Examiners:-

1. The Professor of Pharmacology Madras medical College, who is the Deputy Chairman of Board of examiners for compounders.

2. A member of the Pharmaceutical Society Viz, Sri.K.Venkatapathy Naidu. The Deputy Chairman will be examiner for the test in materia Medica.

3. The Deputy Chairman and Sri.K.Venkatapathy Naidu will be Joint Examiners in Dispending (Oral and Practical).

The above examiners may be permitted to draw the remuneration as shown below.

1. Written examination in Material Medica.

a) Fee for setting the question paper for 3 hours, Rs.50. [illegible]um)

b) Fee for valuing each answer paper (Professor of Pharmacology and Deputy Chairman for Board of Examiners) — Annas six per hour per paper.

2. Oral and Practical examination in Dispensing — Rs.1/8/- per candidat to be equally distributed among both the examiners. viz.

The candidates who were in Pudukottah and Banganapalle prior to the enforcement of the Drugs Rules will only be eligible to sit for the above examination. They will have to produce a certificate to the effect that they possess experience in practical in dispensing in Chemists and Druggists Shops in the Banganapalle and Pudukottah for a period of four years and more.
